

Project Estimator

Enter your project's area dimensions and cost of the material you would like to use.

Space	Length		Width	
-------	--------	--	-------	--

Area 1	ft	in	ft	in
Area 2	ft	in	ft	in
Area 3	ft	in	ft	in
Area 4	ft	in	ft	in
Area 5	ft	in	ft	in
Area Totals (ft/in)	ft	in	ft	in

Area Totals (ft)	ft	ft
------------------	----	----

Total Square Feet	
-------------------	--

Waste	
Total Material Required	
Cost per sq. ft. (Optional)	
Total Cost	

This project estimator provides a ballpark estimate accounting for 10% of waste. A project's actual waste may vary and change the amount of product needed.

This is a ballpark estimate for planning purposes only. It is a starting point to help with future planning or budgeting until you are ready to finalize your project preferences.

Free professional estimates are always available from **Brunswick Tile and Flooring**. Contact us at 910.754.5500 to get started.
